C

A horizontal number line with tick marks labeled 8, 7, 6, 5, 4, 3, 2, and 1 from left to right.

The diagram shows the orthographic projection of a truncated cone. On the left is the top view, which consists of two concentric circles representing the base and the top of the cone. On the right is the front view, which is a trapezoid. The horizontal centerline of the trapezoid represents the axis of the cone. The top and bottom edges of the trapezoid are parallel horizontal lines, representing the top and bottom circular bases of the cone. The slanted sides of the trapezoid represent the conical surface.
